Property Description

Buying off-plan property is common in South East Asia.

Securing a property off-plan has its benefits – the price can be more appealing; you have a greater choice of units and you may get the option to customize the unit.

However, the concept may seem daunting to some who are used to seeing and 'feeling' a property.

Follow our top five tips to make the most of purchasing a property that is yet to be built.

1.

Get in early As the saying goes, 'the early bird catches the worm' and this is certainly true with buying a brand-new home.

Not only are the best deals usually offered at the early stages of the build, but purchasers will also be able to ensure.
